

A **KOHLER** COMPANY

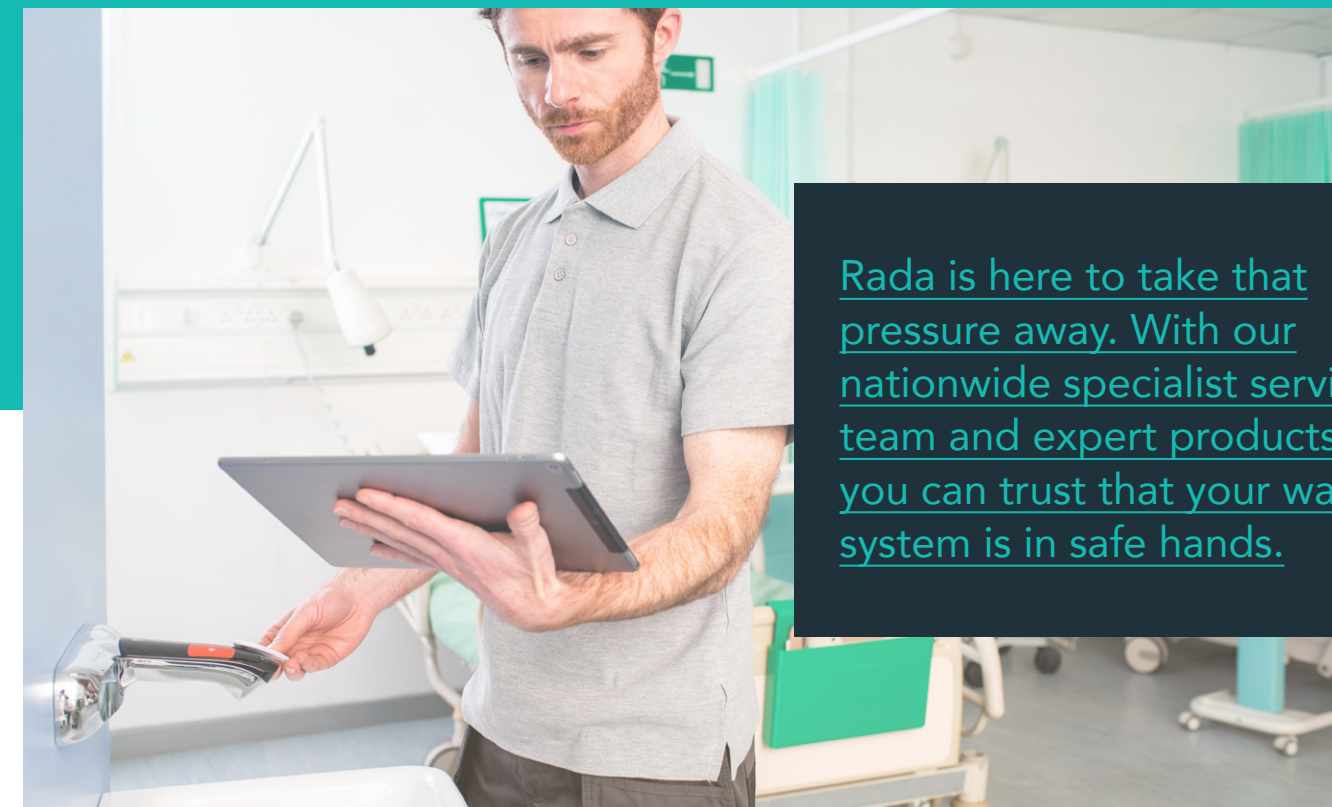

NEED A HAND?

**SERVICE SUPPORT YOU CAN TRUST -
FROM THE EXPERTS IN HEALTHCARE
WATER CONTROLS.**

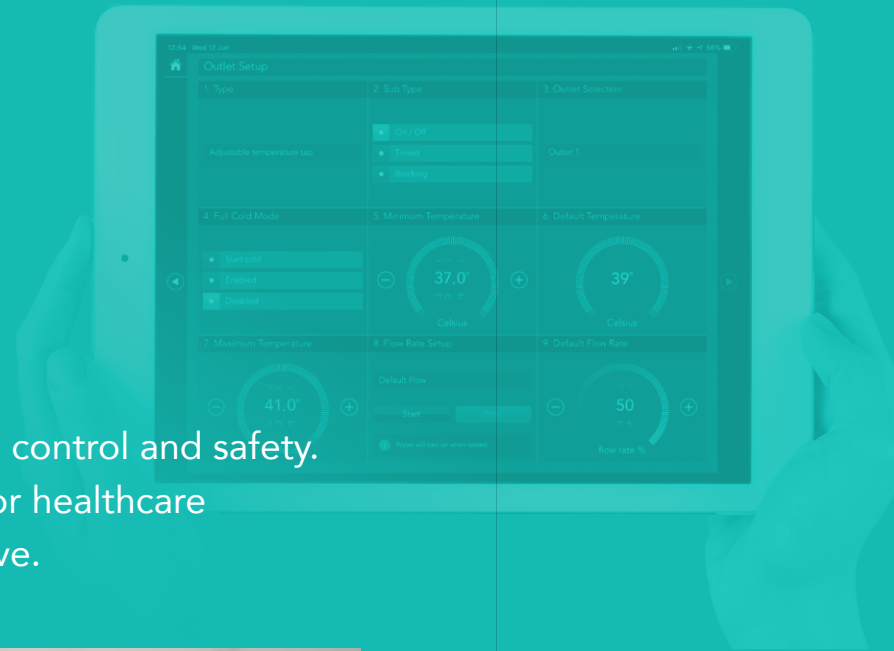

SERVICE YOU CAN RELY ON

Excellent care relies on the highest standards of infection control and safety. Well-maintained water controls are central to that. But, for healthcare estates, this can be time-consuming and resource intensive.

Rada is here to take that pressure away. With our nationwide specialist service team and expert products, you can trust that your water system is in safe hands.

- **Peace of mind** that your duty of care needs are covered
- The highest standards of **safety and infection control**
- **Longer product life** and optimum performance
- Accurate records that prove **compliance with healthcare guidelines and standards**
- **Facilities optimised for care delivery** with downtime minimised
- Cost savings through better **energy and water efficiency**
- **Reassurance** that you have access to Rada expertise, whenever you need it

WE'RE HERE TO HELP

We offer a range of services and can build a bespoke package fit for your needs and budgets – regardless of whether you've got Rada products installed or not.
