

SPECIALIST SERVICE PACKAGES

FOR YOUR SHOWER AND WASHROOM CONTROLS

CARING FOR PRODUCTS IS CARING FOR PEOPLE

When it comes to providing perfect washrooms, making sure your taps and showers are performing at their best is as important as choosing the right products.

A focused and planned service plan can help you achieve:

- the best possible experience for people using your washrooms
- safe operation and improved infection control
- longer product life and optimum performance
- cost savings through better energy and water efficiency
- accurate compliance and record keeping
- reduced chances of down-time or loss of facilities
- peace of mind that you have your duty of care needs covered

Whether you're in healthcare, education, leisure, hospitality or care provision, our service team can keep your washrooms performing and your users safe, healthy and happy.

PAY FOR WHAT YOU NEED AND NOTHING MORE

Manage your budget and only pay for what you need.

Since no two projects are the same, we have a flexible approach to pricing which takes into consideration your specific requirements. After your products and site(s) have been assessed, you'll get a tailored quote based on:
